Greetings -

I am just following up on an outstanding correction plan from your recent visit. As a reminder, after receiving a non-compliance statement, you create a correction plan and a date of completion. You post one copy near your license, and you return a copy to me as well. You can mail it, email it, fax it, or even text a clear, close-up picture back to 262-660-4433.

You do not have to have every item corrected before sending it - but you should have a reasonable date entered when it will be done by. For example, if a staff was missing a foundational training, you might put a date 6 weeks from the visit.

Did you know? Your non-compliance statement can also be found in your Provider Portal!

Please let me know if you would like me to send another copy.
