1	251.04(2)(m) <b>Health, Safety &amp; Welfare Of Children</b>  Description: Staff did not ensure the health, safety and welfare of all children when, on 10/15/2025 staff fed a child a known allergen. This caused a severe reaction that required emergency medical treatment. The program self-reported the incident.	Unfortunately a child had an allergic reaction to food resulting in an Epi-pen, despite having the allergies listed on classroom tables and food carts. Pooh Bear has now created Allergy Free Seats for high allergy children, and has doubled the signage in the classrooms for food allergies. We have also added allergy review to our monthly meetings. As a result of the accident Pooh Bear also dismissed the staff member involved.	10/15/2025
