This form is used by certification / licensing staff to identify statute and / or administrative rule violation(s) and to outline imposed plans of correction, if applicable, and by certified operators / licensed centers to meet the requirements of DCF 202.005, DCF 250.04(2)(b) and (3)(c), DCF 251.04(2)(1) and (3)(b), DCF 252.41(1)(1) and to submit an appropriate correction plan by the due date listed above may result in sanctions identified in the statute and / or administrative rule. A Noncompliance Statement below identifies the violation(s) of child care statute and / or administrative rule identified by the certification / licensing specialist. The licensee / licensed center is required to submit a "Correction Plan" by indicating the steps that will be taken to address and correct each of the listed noncompliance(s). Identify expected completion date. Return the original to your certification / licensing specialist for approval and retain a copy. If this is a licensed child care, post your copy of the correction plan near the license in accordance with Wis. Stat. 48.857. This request for a correction plan is not an order imposing a sanction or penalty under Wis. Stat. 48.715. If the department decides to apply a statutory sanction and / or penalty for facts arising from this finding or a future finding, you will be given a notice and / or penalty and your appeal rights.
