1	251.06(2)(a) <b>Potential Source Of Harm On Premises</b>  Description: On 4-23-2025, the center staff and children were outside walking near the wood line on the center's premise. The center's premise had orange/red ropes tied onto stakes. The ropes were drooping and the color on the ropes was fading. A child got hurt from passing through the rope.	On the day of this incident, ropes and stakes were present due to event parking on the premises. New, multi-colored, neon ropes were added for future use when event parking is taking place. If ropes and stakes are present, the children and staff will take an alternate route that avoids the event parking until the materials are removed.	7/22/2025
