1	251.07(3)(a)5. <b>Indoor Equipment - Intended Use</b>  Description: On 5-12-2025, a child under 3 years of age was playing on a Wesco play equipment with no adult guidance or assistance, and the child received an injury from jumping off the equipment. The play equipment's age recommendation for use by children is 3-6 years of age.	Following the age-appropriate evaluation of the Wesco play equipment, it was immediately removed from the Large Muscle Room. To ensure that children could continue to play safely in the Large Muscle Room, age-appropriate equipment was added to replace the Wesco play equipment. Soft, foam indoor play equipment that is recommended for children ages 10 months to 3 years was added. Two large, soft, non-slip foam mats were added to the Large Muscle Room to provide a safe and sturdy surface for children while playing on the new equipment. At least one staff member is stationed near or on the foam mats while children play on the equipment.	5/15/2025
