Thank you so much I just received the license, I noticed the license did not say 24 hours? Did we not qualify for 24 hour care? I know it's probably another one of the things I put on the application in the beginning but I resubmitted the policy that says overnight care. 24 hours, 7 days a week. Please let me know what I have to do!

Thank you

License: Little Dream Chasers Acad Of Excellence  
License No.: 2006955  
Original License Date: 1/31/2025  
License Period: 1/31/2025 through 7/31/2025

Dear Malaka Bland:

By the authority granted to the Department of Children and Families (the Department) in Sections 48.65 through 48.77 of the Wisconsin Statutes, a license is issued to Malaka Bland for the operation of Little Dream Chasers Acad Of Excellence located at 6414 W Fond Du Lac Ave in Milwaukee, WI 53218-4917.

A probationary license, s.48.69 Wis. Stats., is being issued to allow time for the center to comply with all established minimum requirements.

The terms and conditions of the license, based upon information submitted by you in the application for the license, are in accordance with the child care rules, and are listed on the attached license certificate.

This probationary license shall be in effect from 1/31/2025 through 7/31/2025 .

Although s.48.65 requires the licensure of child care facilities serving children under seven years of age, children age seven and older served in a child care center requiring licensure are included in the licensed capacity since their care impacts on that of the younger, regulated age group. Children must be grouped for age appropriate program activities.

Any and all conditions which are placed on this license are included on the license certificate and remain in effect for the duration of this license.

Any and all exceptions or stipulations which are granted to these rules shall be posted next to the license certificate near the entrance or in an conspicuous area that is visible to the public during the hours of operation and shall remain displayed for the time period specified therein.

Issuance of the license is premised upon you having provided accurate information. Provision of false information in order to secure the license could result in licensing sanctions up to and including revocation of your license. The license is not transferable to another person, or legal entity, or to any location other than that specified herein.

The licensee is legally bound to the terms and conditions herein, which may be changed only by amendment to the license . Written requests for amendment shall be sent to the Department at least 30 days prior to the date the requested change is to go into effect. **You may not initiate any change affecting the terms and conditions of this license until written approval has been received from the Department.**

The Wisconsin Statutes give the Department of Children and Families the authority to set requirements for licensure, to investigate applicants for license, to grant or deny a license, to supervise persons awarded a license, to investigate all alleged violations of s.48.65, and to revoke any license where the person refuses to or is unable to meet the minimum requirements. Any person aggrieved by the denial or revocation of a license may appeal the Department's decision as per s .48.72.

The Department has set forth the requirements in Chapter DCF 251 Group Child Care Center. The intent of the licensing rules is to protect the health, safety and welfare of children. The licensee shall be held legally responsible for meeting all rules. It is therefore essential, that the licensee periodically review the rules to ensure that the center is in full compliance with the rules at all times.

Continuing verification of compliance with administrative rules will be determined by a representative of the Department through unannounced and announced visits for the duration of this license.

Sincerely,

Katrina Tarantino, Licensing Specialist
