10/12/2026		715-930-1148

Use of Form: This form is used by certification / licensing staff to identify statute and / or administrative rule violation(s) and to outline imposed plans of correction, if applicable. This form is used by certified operators / licensed centers to meet the requirements of DCF 202.065, DCF 250.04(2)(i) and (3)(d), DCF 251.04(2)(L) and (3)(f)., DCF 252.41(1)(L) and (2)(k). Failure to submit an appropriate correction plan by the due date listed above may result in sanctions identified in the statute and / or administrative rule. Public Schools may submit plans of correction however are not required to do so.

Instructions: The Noncompliance Statement below identifies the violation(s) of child care statute and / or administrative rule identified by the certification / licensing specialist. Complete the section labeled "Correction Plan" by indicating the steps that will be taken to address and correct each of the listed noncompliance(s). Identify expected completion date(s) for each item. Return the original to your certification / licensing specialist for approval and retain a copy. If this is a licensed child care, post your copy of the noncompliance statement and correction plan near the license in accordance with Wis. Stat. 48.657. This request for a correction plan is not an order imposing a sanction or penalty pursuant to Wis. Stat. 48.715. If the department decides to apply a statutory sanction and / or penalty for facts arising from this finding or a future finding, you will be given a notice of the sanction and / or penalty and your appeal rights.

1	251.06(4)(e) **Extension Cord Use** Description: Rule states that an extension cord may not be used permanently with an appliance. Contrary to rule, it was observed during the monitoring visit that fish tanks in two classrooms were plugged into power strips that were connected to extension cords.	All extension cords currently being used with appliances will be removed. Staff will be reminded that extension cords may not be used permanently with appliances.	10|16|26	
2	251.06(4)(f) **Electrical Outlet Limit** Description: Rule states that no more than 2 electrical appliances may be plugged into any one wall outlet. Contrary to rule, it was observed during the monitoring visit that several classrooms were using power strips with 3 to 4 appliances plugged into them, including mini fridges, microwaves, fish tanks, and bottle warmers.	All classrooms will be inspected to ensure that no more than two appliances are plugged into any one wall outlet. Staff will be reminded not to plug additional appliances into an outlet or power strip.	10|16|26
