1	251.07(2)(b) Policy - Child Guidance Description: The center self-reported inappropriate child guidance used on site when a center staff did not follow center policy when after they saw a child hit a friend, they tapped the child's shoe on their head asking the child if they liked how that felt.	Once this was brought to our attention, we self-reported and terminated the teacher immediately, for not following center and state re-direction behavioral guidelines. During the month of March 2024, we had a staff meeting where we reviewed the re-direction and discipline policies.	3/8/2024
