

**INSTRUCTIONS FOR COMPLETING THE CORRECTION PLAN SECTION OF THE
NONCOMPLIANCE STATEMENT AND CORRECTION PLAN (DCF-F-CFS294)**

I have attached the Noncompliance Statement and Correction Plan (DCF-F-CFS294) dated May 26, 2026 . Please complete this form as follows:

1. In the column titled "Correction Plan," indicate how you intend to correct each noncompliance listed on the form and outline the steps you will take to prevent future violation of the same rule. If you need more space than is provided on the form, attach additional pages and identify the item number to which the correction plan is related. Because completed and approved correction plans will be scanned and linked to the Regulated Child Care and YoungStar Public Search internet site, which shows each provider's violations, please note the following when writing your correction plan:
 - Do not include confidential information, including the names of children and staff.
 - Write in concise, plain English.
 - Be specific when describing what you have done or intend to do to correct each violation . Non-specific statements such as "It will be fixed", "Done", "Will do", "Don't agree" or "This won't happen again" do not provide the reader with any understanding of how the violation has been corrected or how you plan to prevent the violation from occurring again.
 - Be objective, factual and descriptive. The plan should not include derogatory comments , profanity or subjective observations, such as "The licensing specialist doesn't like me."
2. For each noncompliance, enter the date (month, day, year) by which you expect the correction plan to be completed.
3. Sign and date the form. Retain a copy for your records.

4. Return the completed and signed form to the department by the due date that appears at the top left of the form via:

- **Email:** Ginam.linssen@wisconsin.gov or
- **Fax:** (920) 785-7869 or
- **Mail:** DEPARTMENT OF CHILDREN AND FAMILIES
BUREAU OF EARLY CARE REGULATION
NORTHEASTERN REGION

200 NORTH JEFFERSON
SUITE 411
GREEN BAY, WI 54301

If the correction plan and the completion dates are acceptable, the form will be linked to the Regulated Child Care and YoungStar Public Search internet site. If the correction plan or the expected completion dates are not acceptable, you will be contacted in writing or by telephone.

You are required to post a copy of the Noncompliance Statement and Correction Plan (DCF-F-CFS294) in a conspicuous area near the license so that it is visible to parents. This copy must remain posted until all noncompliances have been verified as corrected and the next DCF-F-CFS294 or DCF-F-CFS785 (Compliance Statement) has been issued. Note: If applicable, do not post the Staff and Child Identification Key. The information on the key is confidential and is meant for your reference only.

Please take a few minutes to complete the Department of Children and Families (DCF) customer satisfaction survey so that you can tell us about your experience. The responses we receive to the survey will be compiled and reviewed by DCF staff to help us improve our services to child care providers. The survey takes approximately 5 minutes to complete. It is voluntary and anonymous, and there is no penalty for not responding. DCF staff will not be able to tell whether or not you responded to the survey or know what responses you submitted. Please follow this link to provide your feedback : <https://www.surveymonkey.com/r/LicenseFeedback>. Or, if you don't have internet access, contact your licensing office and request a paper version of the survey and a prepaid reply envelope .

251.05(2)(a)2. Staff Record - Completed Background Check Description: Fingerprints not completed for the following individuals: Individual 001, Individual 002	Both individuals did not work at the center when they were "ineligible" due to their fingerprints lapsing. The center director had given the individuals an end date for employment as they are college students & had returned to school. The director did not know that meant that they would need to get refingerprinted as she had thought the rule of needing fingerprints every 5 years applied regardless of employment status. The center did schedule Individual 001 for fingerprints on 2/2/2026 at 12:30 in case he were to return the summer of 2026 but there was an issue at Boost Mobile and they could not complete the fingerprints as there was an issue with their machine. He has not returned to work at the center this summer and if he were to return, he would be fingerprinted prior to working with the center. As for Individual 002, he was fingerprinted upon his return in the summer of 2026. Going forward, the center director will not give end dates to college students who will be returning to work on school breaks and for the summer to prevent this from happening again. And the center will continue to stay compliant and all employees scheduled will be fingerprint eligible..	5/27/2026
