1	251.04(2)(h)9. **Policy Submitted & Implemented - Emergency Plans** Description: Per observation of video footage, Staff A failed to implement the center's written missing or lost child procedure on 9/22/26 when a 2 year old child was missing while inside the facility. Upon realizing the child was missing, Staff A failed to immediately notify the center director or person in charge and failed to "gather remaining children and stay seated in current location."	Staff A was retrained on our emergency procedure for a missing child as well as our Name-to-Face policy. A walkie talkie was also installed in the bathroom area so staff would always have access to communication with the center director if they ever needed assistance in that area.	11/11/2026
