1	251.05(2)(a)3.a. Staff Record - Physical Examination Description: The files for Staff D, and E did not contain documentation of a physical examination report completed within 12 months before or within 30 days after beginning work with children in care, indicating the person is free from illness detrimental to children, including tuberculosis, and physically able to work with young children.	Both Staff D and Staff E have contacted the local clinic and scheduled the next available appointments. I have also set up a contract with the local clinic so that all new staff members can quickly and easily complete their staff health reports within 30 days of starting at Bear Buddies.	3/6/2026
