1	251.055(1)(a) Supervision Of Children Description: A child was sitting behind a bookshelf, left his seat and tackled another child resulting in injury to the other child. Based on the placement of the bookshelf, staff were unable to guide the child's behavior to prevent the other child's injury.	The teachers place themselves around the classroom so that they have full visibility of all children. The shelf now has a clearer panel on the back, so the teachers can see through it for supervisory purposes.	Completed 11/18/25
