--	--	---

**Use of Form:** This form is used by certification / licensing staff to identify statute and / or administrative rule violation(s) and to outline imposed plans of correction, if applicable. This form is used by certified operators / licensed centers to meet the requirements of DCF 202.065, DCF 250.04(2)(i) and (3)(d), DCF 251.04(2)(L) and (3)(f), DCF 252.41(1)(L) and (2)(k). Failure to submit an appropriate correction plan by the due date listed above may result in sanctions identified in the statute and / or administrative rule. Public Schools may submit plans of correction however are not required to do so.

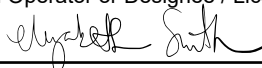

**Instructions:** The Noncompliance Statement below identifies the violation(s) of child care statute and / or administrative rule identified by the certification / licensing specialist. Complete the section labeled "Correction Plan" by indicating the steps that will be taken to address and correct each of the listed noncompliance(s). Identify expected completion date(s) for each item. Return the original to your certification / licensing specialist for approval and retain a copy. If this is a licensed child care, post your copy of the noncompliance statement and correction plan near the license in accordance with Wis. Stat. 48.657. This request for a correction plan is not an order imposing a sanction or penalty pursuant to Wis. Stat. 48.715. If the department decides to apply a statutory sanction and / or penalty for facts arising from this finding or a future finding, you will be given a notice of the sanction and / or penalty and your appeal rights.

1	251.06(11)(b)5. <b>Outdoor Play Space - Energy-Absorbing Surfaces</b>  Description: The outdoor play space did not have 9 inches of energy-absorbing material under the climbing dome.	Immediate action was taken to loosen the compacted material, rake stray wood chips back under the climbing dome, and measure the depth to ensure the energy-absorbing material meets the 9-inch requirement. We will continue to monitor this daily as part of CDL's playground inspection.	6/11/2025	
2	251.07(6)(f)1.b. <b>Medication Administration - Containers &amp; Labeling</b>  Description: Prescription medication was not in the original container or labeled with the child's name, dosage and directions for administration.	Prescription medication is returned to its original container, which is properly labeled with the child's name, dosage, and administration directions. Staff will review the center's medication administration policies, and all relevant personnel will receive additional training on proper medication handling procedures to ensure compliance and child safety.	6/13/2025- All prescription medication is in the original container, which is properly labeled with the child's name, dosage, and administration directions.  8/20/2025- Review of CDL medication administration policies and completion of review medication training
