### LICENSE CONTINUATION REMINDER

**Facility Address:** THE WAY TO GROW PRESCHOOL  
455 S JEFFERSON ST  
WATERFORD, WI 53185-4213

A review of your license must be completed every two years. According to our records, this should be completed by 03/31/2021 for the license issued to your facility. To date, we have not received one or more of the following license application materials:

- completed application      - license fee payment      - other fee(s) or forfeiture fee(s)

Because you have not submitted all continuation materials and/or fees at least 30 days prior to the license continuation review date, as required by administrative rule, we have attached a Noncompliance Statement and Correction Plan identifying this violation. Your correction plan should simply state "Submittal of all continuation materials/fees," along with the date of submittal. The Bureau of Early Care Regulation will verify that the violation has been corrected upon receipt of all outstanding materials and/or fees. Note: The Noncompliance Statement and Correction Plan must be posted beside the child care license.

If you wish to continue your license, submit all items requested above no later than the license continuation review date. Failure to submit these materials on or before the license continuation review date will result in late fees of \$5.00 per day, for up to 30 calendar days, being assessed for every day after the deadline that we have not received your full license fee payment. The amount of your late fee is determined based on the postmark on the envelope in which the materials are mailed.

Based on your current capacity of 21, your license fee is \$385.99.

Any forfeiture assessed under s.48.715(3)(a) or penalty under s.48.76 that is due must be paid before a license will be issued or renewed. Payment in the form of a check or money order for all fees due (including any license, late fees or forfeitures) should be made payable to the Department of Children and Families.

Please mail any materials  
and/or any fees due to:
