1	251.055(1)(a) Supervision Of Children Description: Child care worker(s) did not ensure proper supervision of children in order to guide the children's behavior and activities, prevent harm, and ensure safety. Children were able to hit, choke and shove each other without proper guidance.	After further discussion with the child care worker, we have parted ways. We increased coaching and supervision in the classroom to ensure proper guidance of children's behavior.	6/13/25	
2	251.07(2)(b) Policy - Child Guidance Description: Staff did not implement the center policy regarding positive child guidance, redirection and setting of clear limits for children. A staff member admitted to not always being able to intervene when children became aggressive and making a comment that "I don't know why he doesn't fight back".	We have retrained and coached remaining staff on the proper way to intervene when you feel unable to walk over to the children. To ensure staff receive timely support when addressing challenging behaviors, we reinforced the protocol for utilizing the walkie-talkie system to communicate the need for immediate assistance from support personnel or leadership.	6 / 6 / 25
