Happy Cyber Monday,
Here are the Correction Plans/ Documents for my NONCOMPLIANCES.

Also, sent a copy of Rebecca Davidson to make sure she completed them correctly since her children only come in the evening by bus and parent picks up from daycare.

The photograph shows a document with a signature and a table. The signature is "Victoria J. Davidson" in cursive. The table has two columns: "Rule/Statute Number" and "Description". The first row contains "250.06(4)(a)(3) Smoke Detectors - Testing" and "Description: There is no documentation demonstrating the required monthly smoke detector testing was completed for the months of September and October 2024." The second column has handwritten text: "Battery was placed during site visit on 11/20/2024".
