1	250.055(2)(b) <b>Maximum Number Of Children In Care Of The Provider</b>  Description: A review of attendance records and documentation of staff hours when counted in staff-to-child ratios identified that there were several days in October where the maximum number of children that one provider may care for per Table DCF 250.055 was exceeded.	My older son was here to help me the 3 days I exceeded the limit that I could have under my care. I was also unsure if I should put my son into the attendance sheet. My son is my emergency contact and has completed the required courses to work in my daycare. In the future I am looking for another part time worker as my son will no longer be able to help me as much starting in June.	1/20/2025
