1	251.07(3)(a)5. Indoor Equipment - Intended Use Description: On April 14, 2026, a two-year-old child was on a climber that was rated for children 5 to 12 years of age. The child fell 3 feet from the climber onto the ground and parents sought medical attention.	1. The playground equipment was altered several years ago, and prior attempts have been made to re-age it. The current measured fall space is 36 inches, which is within the required limit of not exceeding 4 feet. The equipment will be out of general use to children under 5 until re aged and confirmed by vendor. 2. Staff are using alternative play areas to prevent access to the larger equipment. Staff will also continue to zone the playground to ensure children under 5 do not use the equipment when present, in accordance with supervision and ratio requirements. 3. this corrective action was reviewed with staff at the 5/19/2026 staff meeting to ensure understanding and consistent implementation.	Reviewed/ Discussed at 5/19/2026 staff meeting
