

**INSTRUCTIONS FOR COMPLETING THE CORRECTION PLAN SECTION OF THE
NONCOMPLIANCE STATEMENT AND CORRECTION PLAN (DCF-F-CFS294)**

I have attached the Noncompliance Statement and Correction Plan (DCF-F-CFS294) dated August 05, 2026 . Please complete this form as follows:

1. In the column titled "Correction Plan," indicate how you intend to correct each noncompliance listed on the form and outline the steps you will take to prevent future violation of the same rule. If you need more space than is provided on the form, attach additional pages and identify the item number to which the correction plan is related. Because completed and approved correction plans will be scanned and linked to the Regulated Child Care and YoungStar Public Search internet site, which shows each provider's violations, please note the following when writing your correction plan:
 - Do not include confidential information, including the names of children and staff.
 - Write in concise, plain English.
 - Be specific when describing what you have done or intend to do to correct each violation. Non-specific statements such as "It will be fixed", "Done", "Will do", "Don't agree" or "This won't happen again" do not provide the reader with any understanding of how the violation has been corrected or how you plan to prevent the violation from occurring again.
 - Be objective, factual and descriptive. The plan should not include derogatory comments, profanity or subjective observations, such as "The licensing specialist doesn't like me."
2. For each noncompliance, enter the date (month, day, year) by which you expect the correction plan to be completed.
3. Sign and date the form. Retain a copy for your records.
4. **Return the completed and signed form to the department by the due date that appears at the top left of the form via:**
 - **Email:** dao.xiong1@wisconsin.gov or
 - **Fax:** (920) 785-7869 or
 - **Mail:** DEPARTMENT OF CHILDREN AND FAMILIES
BUREAU OF EARLY CARE REGULATION
NORTHEASTERN REGION
200 NORTH JEFFERSON
SUITE 411
GREEN BAY, WI 54301

If the correction plan and the completion dates are acceptable, the form will be linked to the Regulated Child Care and YoungStar Public Search internet site. If the correction plan or the expected completion dates are not acceptable, you will be contacted in writing or by telephone.

You are required to post a copy of the Noncompliance Statement and Correction Plan (DCF-F-CFS294) in a conspicuous area near the license so that it is visible to parents. This copy must remain posted until all noncompliances have been verified as corrected and the next DCF-F-CFS294 or DCF-F-CFS785 (Compliance Statement) has been issued. Note: If applicable, do not post the Staff and Child Identification Key. The information on the key is confidential and is meant for your reference only.

Please take a few minutes to complete the Department of Children and Families (DCF) customer satisfaction survey so that you can tell us about your experience. The responses we receive to the survey will be compiled and reviewed by DCF staff to help us improve our services to child care providers. The survey takes approximately 5 minutes to complete. It is voluntary and anonymous, and there is no penalty for not responding. DCF staff will not be able to tell whether or not you responded to the survey or know what responses you submitted. Please follow this link to provide your feedback: <https://www.surveymonkey.com/r/LicenseFeedback>. Or, if you don't have internet access, contact your licensing office and request a paper version of the survey and a prepaid reply envelope .

1	251.07(4)(cm) Naps Or Rest Periods - Sleeping Surfaces - Children 1 And Older Description: Based on observations on 8/4/26, a couple children napping in the Discovery A room were not 2 feet apart from each other. Repeat violation: Previously cited on 3/13/2026	Upon notification of the noncompliance, staff in the Discovery A classroom were reminded that all sleeping children age one and older must have their sleeping surfaces positioned at least two feet apart. To ensure ongoing compliance, classroom staff have been retrained on proper cot placement and spacing requirements. The classroom nap layout will be reviewed and adjusted as needed before children are placed on their cots to ensure the required two-foot spacing is maintained. Because this is a repeat violation, additional monitoring will be implemented. The Center Director and/or Assistant Director will conduct routine checks during nap time to verify that cots are properly spaced. These expectations have been reviewed with the Discovery A and the rest of the teaching staff, and continued monitoring will be conducted to ensure consistent compliance moving forward.	08/05/2026
