1	251.04(3)(jm) Report - Prohibited Actions Description: Prohibited actions by an employee to a child in care were not reported within 24 hours after the incident.	<i>The future plan is to inform state of a complaint even if it was found to be UNTRUE based on Actual video footage.</i>	<i>06/28/24</i>	
2	251.07(2)(c)5. Time Out - Not Removed From Classroom Description: Per observation, one child was removed from the Blueberry Classroom and placed in the office when they became upset over a toy.	<i>The child was removed because he was a danger to the other children in the classroom as he was throwing classroom chairs, scaring the other children. However, DCF has explained that instead of removing the harmful child we are to remove the entire class of children out of the room away from the one disruptive child. We are to leave the destructive child in the classroom breaking furniture, ruining supplies and toys until he is able to calm himself down. Therefore, our future action plan will consist of uprooting and removing the entire class.</i>	<i>05/20/24</i>	

This happens again.
