PAST DUE LICENSE CONTINUATION APPLICATION MATERIALS

Facility Address: TLC LEARNING CENTER INC
N1544 SUNSET DR
LODI, WI 53555

A review of your license must be completed every two years. According to our records, this should be completed by 09/30/2021 for the license issued to your facility. To date, we have not received one or more of the following license application materials:

- completed application
- license fee payment
- other fee(s) or forfeiture fee(s)

Failure to submit these materials and fees (including any late fees or forfeitures) within 30 days of receipt of this warning notice will result in the revocation of your child care license. A late fee of \$5.00 per day, for up to 30 calendar days, will be assessed for every day after the deadline that we have not received your full license fee payment. The amount of your late fee is determined based on the postmark on the envelope in which the materials are mailed.

Based on your current capacity of 50, your license fee is \$877.25, plus any applicable late fee.

Any forfeiture assessed under s.48.715(3)(a) or penalty under s.48.76 that is due must be paid before a license will be issued or renewed. Payment in the form of a check or money order for all fees due (including any license, late fees or forfeitures) should be made payable to the Department of Children and Families.

Please mail any materials
and/or any fees due to:
